REASONS FOR ALLOWANCE

1) The following is an examiner's statement of reasons for allowance: None of the references cited either alone or in combination provide a flexural pivot device, comprising: a first flexible member affixed between and tangent to both a first surface of a stationary member and a surface of a rotatable member such that the first flexible member is preloaded in a curved form with an approximate center of curvature above the first surface of the stationary member, and a second flexible member affixed between and tangent to both a second surface of the stationary member and the surface of the rotatable member such that said second flexible member is preloaded in a curved form with an approximate center of curvature above the second surface of the stationary member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Devon C. Kramer whose telephone number is 571-272-7118. The examiner can normally be reached on Mon-Fri 8-4.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James McClellan can be reached on (571)272-6786. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
